JUNE 12—19, 2010
Senior High Summer Work Camp
(Native American Work Camp)

There is a chance to do something really important. **YOU** will make a difference in the lives of others. **YOU** will have a real hands-on experience in sharing God's love by serving people in desperate need. There's nothing quite like the feeling you get when you have accomplished a big job and touched a life and can see the results of your work. It's powerful stuff!

From June 12—19, senior high youth and adult leaders will travel to Ethete, Wyoming, where we will spend a week constructing, repairing and weatherizing family homes for the residents on the reservation land of Ethete, Wyoming.

We won't lie to you! The key to Work Camp revolves around one word - - **COMMITMENT**. The "Project AWOL" group will meet together prior to the trip. It's not a vacation... but an opportunity to grow in faith by serving others in God's name and to make a difference in the lives of those we serve.

The cost for the event is **\$475 per person** plus meals during travel. Registration is open to all youth grades 9-12. Even though Work Camp is not until the summer of 2010, Work Camps fill up early, so don't delay! Get your registration in soon. The non-refundable registration fee is **\$200** and must accompany the registration form. Make your check out to the church and turn it in with your registration.
